Orientation for External Support Workers in Tertiary Settings

Orientation for External Support Workers in Tertiary Settings

The screenshot shows the top section of a website. On the left is the logo for 'da DISABILITY AWARENESS', with 'da' in blue and 'DISABILITY AWARENESS' in grey, accompanied by three colored dots (yellow, green, red). To the right of the logo is a navigation menu with links for 'Home', 'e-Learning' (with a dropdown arrow), 'Purchase', 'Dashboard', and 'Logout'. Below the navigation is a large banner image of four people walking outdoors under trees with autumn foliage. A woman in a yellow top is on the left, a man in a blue hoodie is in the center, and a woman in a white top is on the right, partially in a wheelchair. A man in a blue jacket is in the background. In the bottom right corner of the banner, there is a teal button with 'A-' and 'A+' text. Below the banner is a light grey bar containing the text 'Orientation for External Support Workers in Tertiary Settings' in a bold, blue font.

Who is it for?

- Anyone who is employed externally to provide support to students with disability in a tertiary setting
- We would really love to see tertiary organisations and support agencies make this an additional requirement for all External Support Workers attending campus.
- Education and Training Organisation and Institutions who do not have a formal orientation process for support workers

What's involved?

External Support Workers

This program focuses on orientation to the roles and responsibilities of external support workers who provide support to students with disability in tertiary settings.
